

FIRST ANNOUNCEMENT

March 18-21, 2010

Swiss Society of Neuropathology, XXIIIrd International Winter Meeting, St. Moritz

GROWTH AND DEATH IN THE NERVOUS SYSTEM

Dear Friends, Colleagues and past participants

Following the successful tradition of the annual St.Moritz International Winter Meeting of the Swiss Society of Neuropathology, the XXIIIrd winter meeting will be held between **March 18th and March 21st, 2010**. Once again the venue, Hotel Laudinella, has been selected for its idyllic setting within the beautiful scenery of the Swiss Alps.

The relaxed meeting atmosphere will also provide plenty of opportunities for stimulating scientific discussions and social interactions on the Corvatsch and the slopes of the nearby Corviglia ski resort. Our 2010 meeting will focus on the following topics:

Neurodegeneration

CNS Tumors / Tumor Stem Cells

Skeletal Muscle / Peripheral Nerve Pathology

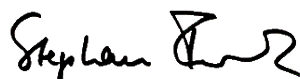

Mechanisms of Disease

If you are interested in this conference please visit our website at <http://www.ssn.uzh.ch/stmoritz/home.html> for more detailed information including early registration rates and abstract submission. Participants are strongly encouraged to submit an abstract for oral or poster presentation at their earliest opportunity. We would be most grateful if you could distribute this message to colleagues that may be interested.

We hope to see you there! With our best regards from Basel,

Markus Tolnay, MD

Stephan Frank, MD
